## VERI SHADES XT<sup>®</sup>

Where innovation meets  
style and functionality.

# Features and Benefits

A contemporary take on a classic window covering, Veri Shades XT® combines the versatility of a vertical blind with the elegant appeal of a soft window furnishing.

Featuring the premium Deco Plus Vertical Track System for smooth and superior operation, exclusively through Hunter Douglas, Veri Shades XT pairs with the soft Veri Shades XT fabric providing the perfect balance of style and durability.

Veri Shades XT complements modern interiors and is suitable for residential or commercial, complete with child safety features^.

## Unique Design

Individually curved fabric vanes feature an alternating light filtering and room darkening fabric panel. Simply turn the fabric vanes for sheer light control or total privacy.

## Child Safe

Designed with child safety in mind, Veri Shades XT fabric has no connecting bottom chains or weights, providing a safer home environment for children and pets.

## Functional Living

For seamless indoor-outdoor living, conveniently walk through the individual fabric vanes whether they are opened or closed.

## Easy Breezy

Free from noisy connecting chains and bottom weights, Veri Shades XT operates quietly and softly settles back into position.

Functional Living

Easy Breezy

# Operating System

Featuring the Australian designed and developed Deco Plus Vertical System; Veri Shades XT® offers a premium hardware and operating system for ultimate performance, durability and smooth control.

Available with three operating options: Chain and Cord, Traversing Wand or Motorised Veri Shades XT fabric can be easily tilted with option to stack to the left, right or split stack for an unobstructed view.

## Chain & Cord

Featuring a thick and heavier duty beaded chain and cord. The beaded chain allows for the blades to be tilted, whilst the cord is used to stack the shade.

## Traversing Wand

Provides effortless and smooth operation control (available in 4 colours: white, anodised, gunmetal and black). Simply use one hand to tilt the blades and draw across.

## Motorised

Featuring a rechargeable Lithium battery solution which allows for easy operation, convenience and ultimate child safety.

# Fabric Collection

Add a new level of depth and dimension with Veri Shades XT. The soft fabric collection provides a timeless colour pallet, subtle textures and durable qualities to offer a contemporary window covering design to suit any interior space.

Veri Shades XT are currently available in four fabric ranges: Standard, Mist, Luxury and Eclipse. All ranges offer subtle neutral and monochrome tones inspired by modern interior design.

## Features & Benefits

### Opacity

Featuring alternating opacity fabric folds: light filtering when opened or room darkening when closed.

### Colour Range

Standard fabric range is available in 6 colours

Mist fabric range is available in 7 colours

Eclipse fabric range is available in 6 colours

Luxury fabric range is available in 8 colours

### Dirt Resistant

Treated to effectively repel dust and grime for easy maintenance.

### Fade Resistant

All colours meet Australian Standards for colour fastness to resist fading (AS2001.4.21).

### UV Protection

UV stabilised fabric material features an Ultraviolet Protection Factor (UPF) of 50+.

## Care & Cleaning

### Dusting

Surface dust can be easily removed using a clean soft brush or feather duster.

### Spot cleaning

To remove dirt and grime, simply wipe the fabric blades with a sponge soaked in lukewarm water. If marks are still visible, add a little mild detergent and gently dry with a clean cloth.

### Hand wash

Veri Shades XT fabric can be lightly hand washed and dried, and can also be ironed with a cool iron or steamed to remove creases. (To remove Veri Shades XT fabric, gently unhook the fabric blade by lifting up and out of the hook).
